### **VII.2) Information about modifications**

#### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

ITEP0691 Cyber Security & Information Rights Extension

This contract will only be extended for a further 12 months, with the exit plan being to procure replacement capability/managed service contracts that will span the remaining RIS 3 period.

#### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

If National Highways sought to procure a supplier for the additional services, it would cause both significant inconvenience and substantial duplication of costs due to:

- a) The time and cost of onboarding a new supplier

b) The delay in project timelines whilst a new procurement took place and the new supplier was onboarded.

c) Switching suppliers would disrupt ongoing work and impact continuity and quality.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £2,613,612

Total contract value after the modifications

Value excluding VAT: £19,863,612
