I.2) Information about joint procurement

The contract involves joint procurement

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Crawley BC and Horsham DC - Traffic Management Services

Reference number

CRBC - 033664

II.1.2) Main CPV code

- 63712700 - Traffic control services

II.1.3) Type of contract

Services

II.1.4) Short description

Crawley Borough Council and Horsham District Council invite tenders for the provision of traffic management services. This tender process is split into two separate Lots by Council, each with differing requirements. Bidders may submit a tender for one or both Lots.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £934,000

II.2) Description

II.2.1) Title

Crawley Borough Council

Lot No

A

II.2.2) Additional CPV code(s)

- 63712700 - Traffic control services
- 34996000 - Control, safety or signalling equipment for roads
- 34923000 - Road traffic-control equipment

II.2.3) Place of performance

NUTS codes

- UKJ28 - West Sussex (North East)

Main site or place of performance

Within the borough of Crawley.

II.2.4) Description of the procurement

Lot A: Crawley Borough Council invites tenders for the provision of traffic management services within the Crawley Borough to ensure that the Council's operatives can safely carry out litter cleansing, street sweeping, and grass cutting duties along high speed roads. Crawley Borough Council has mainly required mobile traffic management services on the A23 and A2220 high speed dual carriageways in the past; however, this is not exclusive of any other roads or types of traffic management measures that might be required during the contract term. The Contract Start Date for the delivery of the services is scheduled to be on 1st April 2022 at 00:00 hours. The Contract will be awarded for a period of 3 years until 31st March 2025, with an option to extend for a further period(s) up to a maximum of 2 years, subject to performance and the absolute discretion of the Council. Based on current expenditure, it is estimated that the contract will have a value of approximately £50,000 per annum; however, this is subject to the fluctuating demand of the service, and therefore no volume or value is guaranteed by the Council. This service is also subject to funding received from West Sussex County Council, and it is therefore worth noting that Crawley Borough Council's requirements for traffic management services may be decreased if West Sussex County Council decides to reduce or remove the current funding arrangements. The Council is managing this tender process and communicating with Bidders using the SE Shared Services e-sourcing portal hosted by In-Tend Limited (the Portal). No hard copy documents will be issued and all communications with the Council (including submission of tenders) will be conducted via the Portal.

II.2.5) Award criteria

Quality criterion - Name: Quality Assessment Questions / Weighting: 40

Price - Weighting: 60

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Horsham District Council

Lot No

B

II.2.2) Additional CPV code(s)

- 63712700 - Traffic control services
- 34996000 - Control, safety or signalling equipment for roads
- 34923000 - Road traffic-control equipment

II.2.3) Place of performance

NUTS codes

- UKJ28 - West Sussex (North East)

Main site or place of performance

Within the district of Horsham.

II.2.4) Description of the procurement

Lot B: Horsham District Council invites tenders for the provision of traffic management services within the Horsham District to ensure that the Council's operatives can safely carry out litter cleansing duties along high speed roads. Horsham District Council has mainly required lane closures, stop and go works, and mobile traffic management services on the A24 and A264 high-speed dual carriageways, and the A272 and A264 high-speed single carriageway in the past; however, this is not exclusive of any other roads or types of traffic management measures that might be required during the contract term. The Contract Start Date for the delivery of the services is scheduled to be on 1st April 2022 at 00:00 hours. The Contract will be awarded for a period of 3 years until 31st March 2025, with an option to extend for a further period(s) up to a maximum of 2 years, subject to performance and the absolute discretion of the Council. Based on current expenditure, it is estimated that the contract will have a value of approximately £80,000 per annum; however, this is subject to the fluctuating demand of the service, and therefore no volume or value is guaranteed by the Council. The Council is managing this tender process and communicating with Bidders using the SE Shared Services e-sourcing portal hosted by In-Tend Limited (the Portal). No hard copy documents will be issued and all communications with the Council (including submission of tenders) will be conducted via the Portal.

II.2.5) Award criteria
