## **II.2.4) Description of the procurement**

HS1 is seeking to procure its next generation Electricity Supply Contract (ESC) which will have a duration of 5+ years. The new contract will have an initial lead in period from April 2023 to allow for forward planning and purchasing and will become live for Supply from 1 April 2024.

The ESC will need to be strategically aligned to HS1's Sustainability Strategy and will need to facilitate 100% renewable energy. There is a specific requirement for the ESC to accommodate current and future Corporate Power Purchase Agreements.

The RFP including the full-Service specification and evaluation criteria will be published in the Call for Competition expected to be issued towards the end of June 2022. There will be an eight-week response time allowed for any interested bidders meeting the published criteria to submit their response.
