- Supporting end of life care, delivered within the individuals chosen environment
- Improving health and wellbeing by maximising independence, choice, control, dignity and quality of life within the individual's home

In addition to providing the equipment, the contract will include the delivery, collection, cleaning, storage, installation, decontamination, servicing, maintenance and recycling of the equipment.

The Service shall operate based on credit back model for the purchase of Community Equipment (CE) stock. The Provider shall own the CE stock; the Commissioners shall purchase CE from the Provider when required. During the period in which the CE is loaned to Service Users, ownership of the CE will pass from the Provider to the Commissioners. The responsibility for accountability, serviceability and maintenance for CE will remain with the Provider.

The Provider shall, upon collection of the CE from the Service User, credit back the agreed equipment value to the Commissioners once it has been collected, decontaminated and is ready for re-issue.

All Special CE will be owned by the Commissioners from date of purchase. The responsibility for accountability, serviceability and maintenance of Special CE will remain with the Provider. The CE stock will comprise of all CE including component parts, spares and consumables.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 60

Price - Weighting: 40
