Health

Section II: Object**II.1) Scope of the procurement****II.1.1) Title**

Blood Extraction Platform

Reference number

WS2214880748

II.1.2) Main CPV code

- 33100000 - Medical equipments

II.1.3) Type of contract

Supplies

II.1.4) Short description

This contract is for 6 years with an options 1 year extension. Full details were provided in the Invitation To Tender pack.

The purpose of this notice is to alert the market that this opportunity has been awarded for high throughput DNA extraction platform.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £1,200,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement

Additional requirements include;

- The platform should be high throughput with flexibility in batch sizes for efficient use. These should range from a single sample to maximum batch size.
- The system must allow the use of a variety of tube types in which the extracted DNA can be collected or eluted into, in particular 2ml screw-cap tubes and 2D barcoded tubes (e.g. fluidX 0.7ml tubes).
- Cross-contamination of samples during automated processing must be shown to be absent

- The system must incorporate barcode scanning and be able to record the barcode labels of both primary tubes and DNA output tubes in a log or database.
- The system must be able to use barcoding data to match the input tube with the output tube and complete elution of DNA according to this information.
- The system must be capable of automating extraction procedure to a level where 'walkaway' operation is facilitated
- The system must be capable of sampling from the primary tube starting material (blood)-avoiding the need to manually aspirate from the primary sample tube
- The system must be enclosed in such a way to protect the operators.

II.2.5) Award criteria

Quality criterion - Name: Technical Quality / Weighting: 40

Quality criterion - Name: Social Values / Weighting: 10

Price - Weighting: 50%
