Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Nuclear Decommissioning Data Viewer

Reference number

T/JSL060/23

II.1.2) Main CPV code

• 72300000 - Data services

II.1.3) Type of contract

Services

II.1.4) Short description

The purpose of this Prior Information Notice is for UKAEA to receive feedback from the market on the capabilities that AI, VR and other automation could offer in enabling real time reporting using innovative visualisation technology.

UKAEA is particularly interested to understand where disruptive technologies have been used in other industries that could be applied to the field of nuclear.

Full details are provided in the attached document together with a questionnaire which we would appreciate if organisations would complete and return if interested in working with UKAEA in this area.

II.1.5) Estimated total value

Value excluding VAT: £200,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72314000 - Data collection and collation services

- 90743100 - Toxic substances monitoring services

II.2.3) Place of performance

NUTS codes

- UKJ14 - Oxfordshire

Main site or place of performance

Culham, Oxfordshire

II.2.4) Description of the procurement

The purpose of this Prior Information Notice is for UKAEA to receive feedback from the market on the capabilities that AI, VR and other automation could offer in enabling real time reporting using innovative visualisation technology.

UKAEA is particularly interested to understand where disruptive technologies have been used in other industries that could be applied to the field of nuclear.

Full details are provided in the attached document together with a questionnaire which we would appreciate if organisations would complete and return if interested in working with UKAEA in this area.

II.2.14) Additional information

Additional information requests will all be managed through the portal.

Questionnaire responses should be returned via the portal by 9th June 2023

II.3) Estimated date of publication of contract notice

13 May 2023
