Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The products, services and support can be provided only by a particular contractor for reasons that are technical and connected with the protection of exclusive intellectual property rights. (Software maintenance and license renewal for an embedded software accommodation system). This VEAT notice is alerting the market of the University's intention to award a contract via a sole source procedure and not via a competitive tender via FTS. The University intends to award a contract for the above once a 10 day standstill period has ended. The 10 day standstill period will commence from the publication of this notice.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
