## Scope

### Description

Midland Heart is committed to creating safe, clean, and welcoming environments for all our tenants

by maintaining high standards of cleanliness in our communal areas. This contract is a key part of our

wider mission to deliver great homes and excellent landlord services, putting tenants at the heart of

everything we do.

We are seeking partners who will work closely with us to deliver consistent, high-quality communal

cleaning services across our housing stock, ensuring that all shared spaces are maintained to

standards that reflect the pride and expectations of our tenants.

Partners must not only deliver core cleaning services but must do so in a way that reflects our values,
