Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Search Discovery and Risking Requirements

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

This is a voluntary ex-ante transparency (VEAT) notice. HMRC awarded a contract in May 2020 for Search Discovery and Risking Requirements. This voluntary ex-ante transparency note is to advise of the intention to award a new short term contract under Regulation 32(2)(c) as the original contracted expenditure has surpassed the forecast due to funds being reallocated during the past year to cover delivery of COVID 19 projects, additional funds now need to be put in place in order to deliver the originally proposed work, complete COVID 19 search and risking activities plus project work that has been identified as being in scope of the specification of this contract. A new competition for future requirements will commence shortly.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £8,900,000

II.2) Description

II.2.2) Additional CPV code(s)

- 72000000 - IT services: consulting, software development, Internet and support

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Salford

II.2.4) Description of the procurement

This is a voluntary ex-ante transparency (VEAT) notice. HMRC awarded a contract in May 2020 for Search Discovery and Risking Requirements. The contract was competed via the Crown Commercial Services Digital Outcomes & Specialists 4 (DOS4) marketplace and awarded to Equal Experts for a period of 2 years and a value of £5.5m. The expenditure has surpassed the original forecast due to additional work required as a result of Covid 19.

Services delivered within the contract are based on delivering outcomes such as:

- a) simplification, consolidation and transformation of the large and complex legacy Data Analytics estate
- b) design and build services to provide environments on which to provision, prepare and transform data
- c) provide services to exploit data across the organisation

and the intended short term contract will ensure continuity of key services whilst a new competition is undertaken.

This voluntary ex-ante transparency note is to advise of the intention to award a new contract under Regulation 32(2)(c) as the original contracted expenditure has surpassed the forecast due to funds being reallocated during the past year to cover delivery of Covid 19 projects, additional funds now need to be put in place in order to deliver the originally proposed work, complete Covid 19 search and risking activities plus project work that has been identified as being in scope of the specification of this contract..

The new contract will expire upon completion of handover to the future contractor but no later than November 2021.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations
