- 71300000 - Engineering services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

ABP aim to execute a two-stage design and build contract with a main contractor or lead contractor of a consortium. ABP are developing the design and intend to go to market under a negotiated procedure to bring the Design and Build Contractor onboard early. The first stage of the contract will include further development of design in a collaborative manner between the client and the contractor, with the second stage completion of the design and construction of the works. ABP are aiming to release a PQQ with call for competition by the end of June 2022, and the target contract award date is by the end of year 2022. To respond to this PIN notice and register your interest in this procurement, please email:

ImminghamROROTerminal@ABPorts.co.uk

II.3) Estimated date of publication of contract notice

18 November 2022
