This DPS will run for one year initially with the option to be extended twice, for up to but not beyond March 2020, this will allow for review of the use of the DPS as this new approach to delivering apprenticeships evolves.

In addition to the arrangements set out above it is our intent to undertake selection (using the Crown Commercial Service or equivalent recognised by the EU Procurement Regulations and UK Public Contracts Regulations) and quality evaluation criteria when establishing the DPS and in further requests to participate.

The ESFA maximum funding 'bands' per framework/standard will not be exceeded in contracting with providers.
