In return, the Council is offering the Concessionaire the advertising display rights associated with its City-wide network of bus shelters. The citywide map is presented at Appendix 1. The Concessionaire will have the right to install, operate and further develop the current concession of City Centre Free-Standing Units (FSUs), which can be located using the city centre map at Appendix 2, whilst Appendix 3 has a table detailing the location of every existing FSU and some information about the asset. Appendix 4 lists all the Bus Shelter locations that are to be retained under the new contract. Appendix 5 provides a list of Bus Shelter locations that will no longer require a Bus Shelter. Appendix 6 is a map showing all the assets located across the whole city area, which each asset type denoted by colour. Note that this map was updated several months ago and there may be a small number of inaccuracies, so the table should be referred to and cross referenced to where required.
