Scope

Reference

SOL30245

Description

Solihull Metropolitan Borough Council (SMBC) require a partner to support the Council in understanding where Artificial Intelligence (AI) can deliver practical and measurable improvements across key service areas. To achieve this, SMBC are seeking a provider who can deliver a structured approach to identify processes that are suitable for AI enabled efficiencies, with the intention of reducing cost pressures and improving service delivery by focusing on the areas with the greatest potential impact, enabled efficiencies, with the intention of reducing cost pressures and improving service delivery by focusing on the areas with the greatest potential impact.

Engagement

Engagement deadline

25 February 2026

Engagement process description

This is a pre-market engagement (PME) exercise. SMBC are undertaking this pre-market engagement (PME) to gain a comprehensive understanding of the current capabilities, innovations, delivery approaches and best practices available within the supplier community. This early dialogue will help us refine our requirements, validate our assumptions, and ensure that any future procurement is shaped by an informed view of what the market can deliver.

The PME questionnaire submission deadline is COP on 25th February 2026 via SMBC Sourcing to Contract platform Atamis <https://solihull.my.site.com/s/>
