#### **II.1.2) Main CPV code**

- 72000000 - IT services: consulting, software development, Internet and support

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Halton Borough Council are seeking a supplier with the relevant experience and market knowledge to provide a cost effective, flexible, high quality and value for money – ‘Leisure Management Operating System’ proposal capable of fulfilling the specification of requirements outlined within this document that can be delivered during the contract period.

Suppliers should provide a robust and dynamic solution, which ensures an approach of continuous improvement to drive the adoption of innovation and take advantage of the latest technologies throughout the lifetime of the contract.

A key objective of the service is to offer a wide range of sport and physical activities for residents of the borough, via the following locations: -

- Brookvale Recreation Centre
- NEW Halton Leisure Centre
- Frank Myler Pavilion

The Leisure Centres in collaboration with internal departments are re-focusing current requirements to strive for a better offering to customers through focus, ambition and migration of data via ‘Active Halton’.

The solution must offer customers a more unified approach to accessing services with less interaction required outside of the customer account, having embedded links to integrate other systems seamlessly behind the scenes.

#### **II.1.5) Estimated total value**

Value excluding VAT: £120,000
