VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Phoenix will incorporate a minimum 10 calendar day standstill period at the point information on the award of contract is communicated to all participating entities. The standstill period provides time for unsuccessful participating entities to challenge the award decision before the contract is entered into. The Utilities Contracts Regulations 2016 (as amended) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (Northern Ireland).
