The East and North Hertfordshire NHS Trust ("ENHT") and the Hertfordshire Community NHS Trust ("HCT") (together "the Authorities") have a backlog of children on their clinic lists who require an Autism Diagnostic Assessment.

The Authorities are working with the Herts Wide CCG to outsource most of these patients in an effort to reduce the waiting times for an assessment and to enable the implementation of a new diagnostic process. As such, the Authorities are seeking proposals from appropriately qualified companies who can take on the outstanding assessments to assist with clearing the backlog.

The Authorities are seeking a value for money, high quality service that will be responsive to the needs of the client. Robust contract management and good effective liaison with the Authorities' key contacts will be required.
