Reference

CPU 7380

Description

Nottingham City Council (the 'Authority' or 'Employer') sought tenders from suitably experienced and qualified entities (the 'Tenderer') for inclusion on a framework for Drainage Inspections and Remedial Repairs to cover all council housing stock and associated land within the boundaries of Nottingham City.

The Authority is appointing 3 Contractors to this Framework.

The overall framework will have an estimated total value of £2,160,000 (VAT inclusive)

The Framework duration will be for up to 4 years at the Authority's discretion

Commercial tool

Establishes a framework

Framework

Maximum percentage fee charged to suppliers

0%

Framework operation description

Call-offs from the framework will be made by Direct Award or Further Competition according to the following criteria:

i) Where the project can be priced solely using the rates set out in the Pricing Schedule and has an estimated value below £1,000 then contracts will be awarded as Direct Awards by Basket of Rates.

ii) For all other projects, contracts will be awarded following a Further Competition.

Award method when using the framework

Either with or without competition
