Community benefits are included in this requirement. For more information see: <https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows: It is a mandatory requirement that the potential contract participant agree to support the concept, provision and ongoing development of

community benefits provision in relation to this contract.

Potential contract participant is required to agree to this mandatory requirement. They are also requested to provide a brief summary of the

community benefits that have recently been delivered within Scotland, if at all, and also what impact and outcomes these have achieved.

Potential framework participants are required to summarise any proposed community benefits that will be developed and delivered as part of this contract if successful or, alternatively, potential framework participants confirm that they will engage with the NHS Scotland's Community Benefits Gateway (CBG). This gateway, developed through requests from suppliers seeking opportunities to support the

delivery of community benefits within the contracting region, provides information on community benefit opportunities. The CBG is a free

and easy to use online service that connects NHS Scotland suppliers with third sector community organisations within Scotland and will be

used for tracking and reporting and is an approved compliant route to the realisation of community benefits.
