## **Description**

#### Background

Hugh Ripley Hall is a venue managed by Ripon City Council for community events and class hire and comprises of a number of rooms, toilets and kitchen facilities.

On the ground floor of the building in an access corridor towards the accessible toilet there is damaged ceiling and wall plaster work which requires repair.

See Appendix 2 - The Ground floor plan marked with the affected area and approximate dimensions as follows:

The area of repair has wall measurements of 30ft width and 8 ft in height.

The area of repair has ceiling measurements of 8ft by 4ft and 6.7ft by 4.6ft.

### 2. Our requirements

For remaining plaster work in the damaged areas of the ceiling and wall to be removed. The ceiling and wall to be replastered and once dry, to be repainted.

We expect the tender to include:

- Provision of all materials for internal plasterwork and painting, using recognised and certified parts only
- Method Statement for completion of works, including details of the length of work and measures that could be taken to minimise disruption to the disabled toilet facilities and kitchen.

We are looking for a reputable and qualified company who can provide us with value for money.
