Award

Deployable Tactical Engagement Simulation (D-TES) [TSSP/143 ILT-D]

Ministry of Defence

F15: Voluntary ex ante transparency notice

Notice identifier: 2024/S 000-013876

Procurement identifier (OCID): ocids-h6vhtk-04560c

Published 30 April 2024, 12:36pm

Section I: Contracting authority/entity

I.1) Name and addresses

Ministry of Defence

Bristol

Contact

Michael Clark

Email

Michael.Clark140@mod.gov.uk

Country

United Kingdom

Region code

UK - United Kingdom

Internet address(es)

Main address

www.des.mod.uk

I.4) Type of the contracting authority

Ministry or any other national or federal authority

I.5) Main activity

Defence

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Deployable Tactical Engagement Simulation (D-TES) [TSSP/143 ILT-D]

Reference number

TSSP/143

II.1.2) Main CPV code

- 80510000 - Specialist training services

II.1.3) Type of contract

Services

II.1.4) Short description

Instrumented Live Training – DFWES (ILT-D) is an appended precision laser based tactical engagement system for vehicles, armoured platforms, heavy weapon systems and anti-tank weapons used in force on-force exercises as part of collective training. It simulates and records the effects of weapon engagements on vehicles and enables realistic and challenging training.

The Authority has a requirement for 1000 ILT-D Soldier Systems for delivery of training overseas as well as exercise management and support.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £40,000,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The requirement is for the purchase of 1000 Soldier Systems to deliver training overseas along with exercise management and support. When not in use these systems will supplement the existing c2500 systems already used for training worldwide. The anticipated value of this requirement is £40,000,000. The intent is to place this activity as a Contract Amendment to Contract TSSP/143 (ILT-D), uplifting the original Contract value from £141,820,283 to an estimated £181,000,000.

The requirement will align with the ILT-D Contract (expiry March 2027 with 3 x 1 year options to extend)

The Cyber Risk Profile is assessed as moderate.

II.2.5) Award criteria

Criterion: Appropriate, Attributable, Reasonable (AAR) 100%

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

In accordance with regulation 4 of The Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate. It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service is lawful in accordance with Regulation 16(1)(a)(ii) of the Defence and Security Public Contracts Regulations 2011 for Technical Reasons.

SAAB AB are the Original Equipment Manufacturer (OEM) and Design Authority (DA) for ILT-D. They retain the proprietary technical data, source code and design drawings applicable to the capability and to maintain the required availability. Other economic operators are unable to provide support, repair and upgrade services for ILT-D without access to this information/data. For these technical reasons and the necessity to use specific know-how and expertise in order to perform the PDS contract, which is held only by SAAB AB, the contract may only be awarded to SAAB.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession

V.2.1) Date of conclusion of the contract

30 April 2024

V.2.2) Information about tenders

The contract has been awarded to a group of economic operators: No

V.2.3) Name and address of the contractor/concessionaire

SAAB AB

Huskvarna

SE 561 85

Country

Sweden

NUTS code

- SE - Sweden

The contractor/concessionaire is an SME

No

V.2.4) Information on value of contract/lot/concession (excluding VAT)

Initial estimated total value of the contract/lot/concession: £40,000,000

Total value of the contract/lot/concession: £40,000,000

V.2.5) Information about subcontracting

The contract/lot/concession is likely to be subcontracted

Section VI. Complementary information

VI.3) Additional information

In accordance with regulation 4 of The Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate. It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service is lawful in accordance with Regulation 16(1)(a)(ii) of the Defence and Security Public Contracts Regulations 2011 for Technical Reasons.

SAAB AB currently supply the Soldier Systems to other nations and there is a requirement for interoperability, integration with existing infrastructure and the ability to train with other Nations. Additionally, when not in use the systems will supplement existing holdings.

SAAB AB are the Original Equipment Manufacturer (OEM) and Design Authority (DA) for the Soldier Systems. They retain the proprietary technical data, source code and design drawings applicable to the capability and to maintain the required availability. Other economic operators are unable to provide new equipment or support, repair and upgrade services without access to this information/data. For these technical reasons and the necessity to use specific know-how and expertise in order to perform the contract, which is held only by SAAB AB, the contract may only be awarded to SAAB.

VI.4) Procedures for review

VI.4.1) Review body

Training Simulation Systems Portfolio (TSSP), MOD.

Bristol
