Tenderers responding to this opportunity should carefully consider how their response can align with the Council's corporate priorities:

- Enable an inclusive economy
- Deliver more, affordable housing
- Support thriving communities
- Pursue a zero carbon Oxford

As a minimum, we expect Tenderers to respond with market leading pricing structures which reflect the scope of the commercial opportunities we offer. Additionally, where there is an opportunity for a sustainable solution, Tenderers are strongly encouraged to offer such solutions, where permitted within the scope of the specification.

The principal aim of the tender process is to appoint a single Tenderer to the Council who will deliver both financial and efficiency benefits.
