II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

The City of London Corporation (The City) provides local government services for the 'Square Mile', including housing, refuse collection, education, social services, environmental health and town planning.

The City Surveyors Department is responsible for the management of the City's operational and investment properties, and for commissioning refurbishment and improvement works to the City's buildings. The project brief is to deliver a programme of combined Minor Improvements and Cyclical Works to refurbish the City of London School for Girls campus within the Barbican. The brief is concerned with delivery of the final three years of a six-year programme. The commissioned works fall into four main categories: Critical Major M&E Service Replacement Works; Main Block Fabric Replacement & Repair Works; Prep Block Fabric Replacement & Repair Works; Internal Refurbishment Works.

The City wishes to appoint Consultants for the whole project management process to cover three main disciplines:

1. Consultant Project Manager & Quantity Surveyor
2. Building Fabric & Architectural Surveying Consultants
3. Mechanical & Electrical Consultants,
