Description of options

4 option years, option to increase on-site support by an additional day per week if required.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The Single Source route has been utilised in accordance with PCR 2015 Reg 32(2)(b)(ii) where competition is absent for technical reasons. The pallet handling system is severely impacted with obsolescence issues, and there is limited technical information available to develop the necessary documentation for a competition due to the age of the equipment. Logistex has acquired a knowledge of this aged equipment, built over an 11.5-year period, holding first-hand knowledge and experience of the obsolescence and issues that have surfaced through the maintenance of this equipment during a previous contract.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract

Contract No

711467452

Title

Automated Pallet Handling Storage System Support

A contract/lot is awarded: Yes
