II.1.2) Main CPV code

- 71314300 - Energy-efficiency consultancy services

II.1.3) Type of contract

Services

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement at the time of conclusion of the contract:

The Warm and Well Scheme aims to reduce fuel poverty and the burden on health and social care budgets caused by cold damp homes, by; promoting the health benefits of energy efficiency in the home, and delivering a programme of energy efficiency improvements which offers personalised support, with the flexibility to offer tailored support for vulnerable households. Promote economic regeneration by assisting householders with income maximisation through reduced fuel bills and referral to other support agencies and the promotion and support of local related trades. By its activity to promote energy efficiency and the use of renewable technologies the Scheme also aims to reduce the carbon emissions of households in the area.

II.2.7) Duration of the contract, framework agreement, dynamic purchasing system or concession

End date

31 March 2025

Section IV. Procedure

IV.2) Administrative information

IV.2.1) Contract award notice concerning this contract

Section VII: Modifications to the contract/concession

VII.1) Description of the procurement after the modifications

VII.1.1) Main CPV code

- 71314300 - Energy-efficiency consultancy services

VII.1.3) Place of performance

NUTS code

- UKK13 - Gloucestershire

VII.1.4) Description of the procurement:

The Warm and Well Scheme aims to reduce fuel poverty and the burden on health and social care budgets caused by cold damp homes, by; promoting the health benefits of energy efficiency in the home, and delivering a programme of energy efficiency improvements which offers personalised support, with the flexibility to offer tailored support for vulnerable households.

In addition, the Scheme aims to promote economic regeneration by; assisting householders with income maximisation through reduced fuel bills and referral to other support agencies and the promotion and support of local related trades.

By its activity to promote energy efficiency and the use of renewable technologies the Scheme also aims to reduce the carbon emissions of households in the area.

VII.1.5) Duration of the contract, framework agreement, dynamic purchasing system or concession

Duration in months

12

VII.1.6) Information on value of the contract/lot/concession (excluding VAT)

Total value of the contract/lot/concession:

£208,440

VII.1.7) Name and address of the contractor/concessionaire

Severn Wye Energy Agency Ltd

Gloucester

Country

United Kingdom

NUTS code

- UKK - South West (England)

Companies House

03830608

The contractor/concessionaire is an SME

Yes

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Modification to extend the contract for 12 months based on Reg 72(1)(c).

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Funding from the Home Upgrade Grant Scheme (HUG2) means delivery of the scheme will take place until March 2025. It is not appropriate to procure a new contractor during the delivery of such a program of work. The project will be offering advice and assistance to vulnerable households and a change in delivery partner will cause unacceptable confusion to those households.

The services required under the contract will not be changed from the original contract.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,459,080

Total contract value after the modifications

Value excluding VAT: £1,667,520
