Are you passionate about supporting the lives of service children? Would you like to extend your portfolio of nursery and childcare provision and enable children to reach their full potential?

This could be the opportunity to make a positive difference and contribution to ensure our military personnel have a safe, secure, and high-quality nursery to meet theirs and their children's needs. The services must be compliant with the National Minimum Standards for Regulated Childcare and Care Inspectorate Wales; and the Early Years Foundation Stage (EYFS) Framework, and Ofsted as applicable.

The below provides a brief illustration of the current provision and operational delivery of the nursery site. Please note this is an illustration and detail can be subject to change. There will be scope to work with each station to adapt the operational delivery and outputs of the setting to meet the needs of service families and the station's statement of requirements.

service families living and working at RAF Valley. There are currently 76 children on roll. There are 21 staff employed to work with the children. Where capacity permits and is identified additional provision including wraparound childcare and holiday provision for 4 - 11 years should be provided.
