### **II.2.4) Description of the procurement**

The Bridges and Structures Framework Agreement will be a single supplier Framework. Schemes will be prepared by the Whole Client Service (WCS) and the level of detail will vary scheme by scheme with the design and preparation works is carried out by the organisation most suitable (WCS or Supplier's Designer). Therefore, in some instance the WCS may only do a brief outline feasibility study whilst on other schemes a fully developed detailed design may be prepared by the WCS. The Supplier will be required to assist with Early Contractor Involvement (ECI). The Supplier will be required to plan, design and carry out advanced testing works to aid the design process. The Supplier will be required to have the capability to undertake detailed design on a design and build basis. The Bridges and Structures Framework Agreement will deliver inter alia: • Bridge asset management strategic maintenance intervention schemes, • Bridge strengthening schemes, • Bridge refurbishment and rehabilitation schemes, • Bridge upgrade schemes, • New structural assets, • Other local highway structures maintenance activities. A Reserve Contractor has been retained in the event of repeating under-performance. This has not been split in to Lots for the following reason; the Client is only after a single provider to enable both parties to develop a greater understanding of each other's drivers and commitment – the Reserve Contractor will be held on reserve and called upon in various scenarios outlined in the Framework. Tenderers should be aware that due to the nature of the Services provided, any Framework formed as a result of this procurement process shall be executed as a deed. Tenderers should seek independent legal advice on the implications of this prior to submitting their Tender, where appropriate. Please Note the TUPE Employee Liability Information for this procurement has been provided along with other documentation for this procurement. TUPE related information is personal data and must be protected in accordance with the requirements of Data Protection legislation and must also be kept confidential. Therefore, by accessing this Tender via Supply Hertfordshire and then the View Details button and accessing the documentation for this procurement, Tenderers agree to undertake to treat the information as confidential and commercially sensitive at all times and take all reasonable steps to prevent any inadvertent disclosure to any third party.

Please note Hertfordshire County Council has worked closely with its districts and partners to create a joint procurement portal called supply Hertfordshire. This portal provides an e-Tendering system which is run by In-Tend. To access this procurement opportunity please visit [www.supplyhertfordshire.uk](http://www.supplyhertfordshire.uk) and follow the on-screen guidance. In accordance with Regulation 53 of The Public Contracts Regulations 2015, the Council's procurement documents are available within the e-Tendering system. This is a one stage procurement process. Therefore, if you wish to be considered as a tenderer you must complete and submit a tender by the specified closing date and time. Tender submissions cannot be uploaded after this return deadline. Any clarifications regarding this opportunity must be raised through Correspondence area in the eTendering system. If you are experiencing problems In-Tend offer a help section which includes a dedicated UK support desk which can be contacted via email: [support@in-tend.co.uk](mailto:support@in-tend.co.uk) or Telephone: +44 1144070065 for any website/technical questions, Monday to Friday, 8:30-17:00. The Council reserves the right at any time to cease the procurement process and not award a Contract or to award only part of the opportunity described in this notice. If the Council

takes up this right, then they will not be responsible for or pay the expenses or losses, which may be incurred by any organisation or tenderer as a result. The Council undertakes to hold confidential any information provided in the proposal submitted, subject to the Council's obligations under the law including the Freedom of Information Act 2000. If the organisation considers that any of the information submitted in the proposal should not be disclosed because of its sensitivity then this should be stated with the reason for considering it sensitive. The Council will then endeavour to consult with the applicant about such sensitive information when considering any request received under the Freedom of Information Act 2000 before replying to such a request. The Council reserves the right to carry out additional financial checks on all organisations bidding for this opportunity at any time during the procurement process. This is to ensure that they continue to meet the Council's requirements and remain financially viable to fulfil the requirements under the Contract.

**VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

The Contracting Authority will incorporate a minimum 10 calendar day (when using electronic means) standstill period at the point information on the award of the Contract is communicated to tenderers. This period allows unsuccessful tenderers to challenge the decision to award a Contract before a Contract is executed/signed (as appropriate). The Public Contracts Regulations 2015 ('Regulations') provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly and within the time limits as defined in the above regulations. Where a Contract has not been entered into the court may order the setting aside of the award decision or order the contracting authority to amend any document and may award damages. If the Contract has been entered into the court has the options to award damages and/or to shorten or order the Contract ineffective.
