- Possible extension to 31 December 2030
- 5 years, 1 day

Description of possible extension:

Optional extensions of 12 months plus 12 months

Main procurement category

Goods

CPV classifications

- 48100000 - Industry specific software package

Contract locations

- UK - United Kingdom

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

The onboard systems are bespoke and tightly integrated with the commissioning process.

- Engaging a new supplier or implementing alternative systems at this stage would necessitate a full process of revalidation, reconfiguration, and potentially recertification, which would introduce additional complexity and risk to the commissioning timeline and

overall operational readiness.
