II.2.4) Description of the procurement

A replacement contract is required for the provision of office supplies, including stationery, paper, ink cartridges, minor janitorial supplies and small white goods. It is a requirement that the provision is serviced primarily via an online portal accessed & approved via the internet, with telephone support available when required.

The business will require the winning bidder to support a core list of products, with a wider selection available upon request and applicable additional authorisation levels.

The portal shall have the ability to enforce approval rules and limit the procurement of items to core list if requested.

The supplier will provide monthly reporting information and collaboratively work towards more efficient unit cost product choices.

II.2.14) Additional information

It is anticipated that the value of the contract will be £1,050,000 (for 36 months with the option to extend for a further three times x 12 months).
