Public order and safety

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

DS435-23 Appliance Bay Doors and other doors/shutters/barriers - Servicing, Maintenance, Repair and Replacement

Reference number

DS435-23

II.1.2) Main CPV code

- 50710000 - Repair and maintenance services of electrical and mechanical building installations

II.1.3) Type of contract

Services

II.1.4) Short description

The Authority invites bids in this procurement process for the provision of annual Servicing, Maintenance, Repair and Replacement of Appliance Bay Doors, and other doors/shutters/barriers. The requirements include; planned preventative maintenance (PPM), and reactive maintenance (fault call-out services) for existing appliance bay doors, and any new doors once warranty maintenance has expired (if installed by others), as well as PPM and reactive maintenance for other door assets which shall include but not be limited to: DERV fuel tank roller shutters, entrance barriers, fire shutters for server rooms, automatic doors, and automatic gates and any other similar/related assets agreed and varied into the contract during the life of the contract. The requirement shall also include repairs and where required replacement with new door assets, contract management responsibilities including KPI reporting.

II.1.5) Estimated total value

Value excluding VAT: £660,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

Main site or place of performance

Authority sites across the counties of Devon and Somerset

II.2.4) Description of the procurement

The requirements include; planned preventative maintenance (PPM), and reactive maintenance (fault call-out services) for existing appliance bay doors, and any new doors once warranty maintenance has expired (if installed by others), as well as PPM and reactive maintenance for other door assets which shall include but not be limited to: DERV fuel tank roller shutters, entrance barriers, fire shutters for server counters, automatic doors, and automatic gates and any other similar/related assets agreed and varied into the contract during the life of the contract. The requirement shall also include repairs and where required replacement with new door assets, contract management responsibilities including KPI reporting.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £660,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 October 2024

End date

31 March 2028

This contract is subject to renewal

Yes

Description of renewals

These services are ongoing business requirements and will be re-tendered upon expiry of the initial term or expiry of awarded contract extensions.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The Authority proposes to enter into the Contract for an initial term of three (3) years and (6) months. Services Commencement Date is 01 October 2024. The Authority has made provision for the option to extend the contract beyond its initial term for a further period or periods not exceeding two (2) years in total (24 months). Award of any extensions will be made in 12-month intervals. The overall contract value stated in this notice is for the full contract period (initial term and extensions) which is estimated in the region of £660,000.00 (inc. VAT). This value includes annual planned preventative maintenance (PPM) for all identified assets and an estimate of reactive maintenance callouts and repairs. This calculates to an annual contract value in the region of £120,000 (inc. VAT).

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
