Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Provision of Security and Safety Wardens

Reference number

COPC/23/17

II.1.2) Main CPV code

- 79710000 - Security services

II.1.3) Type of contract

Services

II.1.4) Short description

The successful Bidder shall provide a security and safety service via the provision of one Security & Safety Warden based within the Reception areas for each of the campuses. These Wardens should be SIA approved. Additionally we are interested in an additional Security & Safety Warden at Highbury and Sixth Form campuses to provide a presence across the campus in the form of patrolling during the core teaching hours.

II.1.5) Estimated total value

Value excluding VAT: £750,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 79710000 - Security services

II.2.3) Place of performance

NUTS codes

- UKJ31 - Portsmouth

Main site or place of performance

Portsmouth

II.2.4) Description of the procurement

CoPC is seeking to establish a new Contract for these services and for this to run for three (3) years, from September 2024 to July 2027, with the possibility of a 1-year extension subject to satisfactory performance. We are looking at two Options: 1: The successful Bidder shall provide Security & Safety Warden based within the Reception areas for each of the campuses; Option 2: As above PLUS an additional Security & Safety Warden at Highbury and Sixth Form campuses to provide a presence across the campus in the form of patrolling during the core teaching hours.

II.2.6) Estimated value

Value excluding VAT: £750,000

II.2.7) Duration of the contract or the framework agreement

Duration in months

36

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.4) Objective rules and criteria for participation

List and brief description of rules and criteria

This is a 2 stage process being carried out under the auspices of the light touch regime, PCR (15). Stage 1 will assess potential bidders capability, capacity and experience to perform the contract using this Single Procurement Document issued by the Delta esourcing platform. Potential bidders will also be required to answer a number of standard questions to do with any potential bidders financial status, insurance and liabilities cover and Mandatory and Discretionary declarations. The outcome of this preliminary process will be to identify up to 5 potential bidders to go forward to the next round of the process, which is the Invitation To Tender (ITT) Stage. The evaluation panel will score any non price proposals inline with the following criteria ;

Criteria for Awarding Score

0 Unacceptable Tender response supplied fails to grasp/reflect standard or does not provide a proposal core issues and requirements.

1 Poor Tender response supplied reflects a very limited understanding of core issues and requirements with significant concerns. Proposal falls short of achieving expected standard in a number of identifiable respects.

2 Satisfactory Tender response meets the required standard / expectations in most material respects, but is lacking or inconsistent in others

3 Good Response supplied reflects good understanding of core issues and requirements and meets the required standard / expectations in all material respects

4 Excellent Response supplied reflects an excellent understanding of core issues and exceeds some or all of the major requirements and/or expectations
