A maximum of 3 organisations will be invited to Invitation to Competitive Dialogue (assuming that there are at least 3 suitably qualified organisations that pass the minimum criteria.) following evaluation of Tenderers response to the Selection Questionnaire.

If there are fewer than 3 organisations that pass the minimum criteria, then only those who pass will be invited to Invitation to Competitive Dialogue. If there are more than 3 organisations who pass the minimum criteria then the 3 highest scoring tenderers only, based on the scored question within the SQ, will be invited to Invitation to Competitive Dialogue. The minimum criteria are documented within Schedule 1 - Selection Questionnaire and Appendix 1 - Scoring Matrix and include a minimum threshold that must be achieved on the scored question.

Following evaluation of Tenderers responses to the Selection Questionnaire, successful Tenderers will be invited to Invitation to Competitive Dialogue. Discussions during the Competitive Dialogue stage will focus on developing solutions which effectively meet NEPO's aims and ambitions for this Framework Contract.

Following conclusion of the Dialogue stage, Tenderers who have been involved within the Competitive Dialogue will be invited to submit final Tenders. Following submission, Tenderers will be evaluated against the pre-defined evaluation criteria and NEPO will seek to award to a single operator who has been identified as submitting the most economically advantageous bid.

The opportunity can be accessed via the NEPO eTender system. Suppliers wishing to be considered for this Framework Agreement must register their expression of interest and submit a tender through the NEPO eTender System. If not already registered, candidates should register on the NEPO eTender system at <https://procontract.due-north.com/register>.
