Scope

Description

The General Dental Council (GDC) will be to procuring Health and Medical Assessment Services in relation to its Fitness to Practice cases.

The GDC has a duty to protect the public and patients and investigate concerns about dental professionals and where appropriate, take action through our FTP process. To enable informed and timely decisions throughout the process, we require an independent contractor to provide specialist medical assessments and testing to provide findings on dental professional's fitness to practice. The result of any testing and the report will be relied upon to make decisions in FTP cases. Expert witnesses may be required to attend hearings.

High-level scope

The supplier will be required to:

- provide health and medical advice and assessments of the health of dental professionals

following notification of mental health, anxiety issues, drug or alcohol related cautions or convictions although there will also be other circumstances for example, but not limited to, concerns about impaired vision, hand tremors etc.

- provide a wide range of health and medical assessments and toxicology testing, along with a findings and recommendation report.
- facilitate appointments across the four nations of the United Kingdom.
- provide an assessment report detailing the clinical findings in relation to the dental professional's state of physical and/or mental health with particular reference to the issues raised.
- attend as an expert witness for hearings
