## **II.2.4) Description of the procurement**

This is a contract for the provision of cleaning materials and associated cleaning equipment to Shropshire Council for an initial period of 3 years commencing the 1st August 2023 with an option to extend for a further 2 year period up to 31st July 2028.

Cleaning materials and cleaning equipment are required to be delivered on a regular basis to sites across Shropshire, Herefordshire, Worcestershire, Staffordshire, North Wales and the West Midlands in line with the requirements of the Council and the specifications included in the tender.

The contract will be split into two categories (catering sites and cleaning sites). The reason for this categorisation is a differentiation in the products required and the invoicing methodology.

Category 1: Provision of cleaning materials and equipment for school and other Council sites.

- The cleaning department of Shire Services currently provides cleaning services to 98 premises across Shropshire and the West Midlands. These include primary and secondary schools as well as other Council sites such as libraries, Youth Centres and Council offices.

Category 2: Provision of cleaning materials and equipment for school kitchens.

- The catering department of Shire Services provides catering services to schools across Shropshire, Herefordshire, Worcestershire, North Wales and the West Midlands. The delivery of cleaning materials and equipment is required to 103 school kitchens in order to maintain the cleanliness of the kitchens and other catering premises within that site. This will include the provision of dishwashing machine chemicals.

The Council reserves the right to change, withdraw or include establishments on a temporary or permanent basis to this arrangement as necessary.

Further sites may be added and others removed during the duration of this contract dependant on operational requirements

The council are looking for one supplier able to supply both categories
