II.1.4) Short description

Crown Commercial Service (CCS), as the Authority, intends to put in place a Pan Government Collaborative Agreement for the provision of Insurance services to be utilised by Central Government Departments and all other UK Public Sector Bodies, including Local Authorities, Health, Police, Fire and Rescue, Education and Devolved Administrations. It is intended that this commercial agreement will be the recommended vehicle for all insurance and related services required by UK Central Government Departments.

Bidders are able to bid on all of the Lots. However, successful bidders will only be awarded to Lot 1 or Lot 3. Bidders should indicate which of these Lots is their preferred choice in the Selection Questionnaire Attachment 2a. If your bid is successful, we will use your selected preference to determine your award to either Lot 1 or Lot 3.

If a bidder is successful on their preferred Lot as referenced above due to being within 1% of the last position in the competition for that lot then their preferred choice in the Selection Questionnaire Attachment 2a will be the lot they are awarded.

Expected Number of Suppliers by Lot:

Lot 1 – Brokerage and Related Services = 15 suppliers

Lot 2 – Claims Handling and Related Services = 4 suppliers

Lot 3 - Insurance Service Providers and Related Services = 3 suppliers

II.1.5) Estimated total value

On 2.4.2014 Government introduced its Government Security Classifications (GSC) scheme which replaced Government Protective Marking Scheme (GPMS). A key aspect is the reduction in the number of security classifications used. All bidders should make themselves aware of the changes as it may impact this requirement. This link provides information on the GSC at:

<https://www.gov.uk/government/publications/government-security-classifications>

Cyber Essentials is a mandatory requirement for Central Government contracts which involve handling personal information or provide certain ICT products/services. Government is taking steps to reduce the levels of cyber security risk in its supply chain through the Cyber Essentials scheme. The scheme defines a set of controls which, when implemented, will provide organisations with basic protection from the most prevalent forms of threat coming from the internet. To participate in this procurement, bidders must be able to demonstrate they comply with the technical requirements prescribed by Cyber Essentials, for services under and in connection with this procurement.

Some purchases under this framework Agreement may have requirements that can be met under this Framework Agreement but the purchase of which may be exempt from the Procurement Regulations (as defined in Attachment 1 – About the framework within the invitation to tender documentation). In such cases, Call-offs from this Framework will be unregulated purchases for the purposes of the Procurement Regulations, and the buyers may, at their discretion, modify the terms of the Framework and any Call-off Contracts to reflect that buyer's specific needs.

Refer to <https://www.ncsc.gov.uk/information/cyber-essentials-faqs> for more information.

CCS reserve the right to award a framework to any bidder whose final score is within 1% of the last position.

Registering for access:

This procurement will be managed electronically via the eSourcing suite. This will be the route for sharing all information and communicating with bidders. If you have recently registered on the eSourcing suite for another CCS procurement you can use the same account for this new procurement. If not, you will first need to register your organisation on the portal.

Use the following link for information on how register and use the eSourcing tool:
