**II.1.4) Short description**

NHS Sussex Integrated Care Board (ICB) is looking to procure a walk-in service and GP registered list to patients in Brighton and Hove for a 7 plus 2-year contract, commencing 1st April 2025.

Key Service Components

The GP Registered List:

The APMS registered list will offer primary care services to patients resident within the practice boundary which comprises the city of Brighton and Hove, who wish to register with the practice. Primary Care services will be delivered in accordance with the national APMS contract, amended annually through a national contract variation. In addition, patients will be offered Locally Commissioned Services as agreed with NHS Sussex. Weight Management Services and Learning Disabilities Health Check Scheme will also be offered to appropriate registered patients.

The walk-in service:

The walk-in service will offer the following services to both registered and non-registered patients resident in Brighton and Hove, and those visiting the city.

- mainly walk-in consultations minor illness and minor injury diagnosis and treatment
- a multi-disciplinary team and/or approach
- directly bookable appointments into the service from NHS111
- directly bookable capability into other services for urgent onward referral
- health promotion, signposting, information on self-directed referrals and social prescribing capability
- support, advice, and information on registering with a GP practice if not already registered
- real time data on appointments and service capacity available to patients and the wider system.

#### Service Aims

- Provide timely primary care medical services to registered patients who are resident in the practice boundary area of Brighton and Hove.
- Improve access to urgent primary care for the communities of, and visitors to, Brighton and Hove via a walk-in service.
- Reduce the need for unheralded attendance at ED and UTC ensuring patients are seen in the most appropriate setting for their needs.
- Support primary care resilience in the city.
- Integrate with other services in the city in the development of Integrated Care Teams

and the ongoing development of the Deans and Central Brighton Primary Care Network (PCN).
