Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

No reasonable alternative exists for this procurement as this service is essential to patient care and service delivery. This procurement is required to cover an interim period until a tender process can be completed. A replacement in the short-term is not a reasonable alternative as it would require validation and verification work that would result in significant disruption and disproportionate technical difficulties that would impact patient care and the trusts ability to deliver this service.
