Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

SW21/CI/1347 - Electrical Connections

Reference number

SW21/CI/1347

II.1.2) Main CPV code

- 45315300 - Electricity supply installations

II.1.3) Type of contract

Works

II.1.4) Short description

Scottish Water requires a framework for the design, installation and testing of electrical connections either for a first-time supply, or as an upgrade to existing sites. This will include all materials, plant, manpower and equipment, etc. necessary to completely supply the Electrical Connection. The Contractor must be suitably accredited to National Electricity Registration Scheme (NERS) up to and including 33kV. The estimated value of spend through the framework will be c£1M per year and the proposal is a 6-year framework with a break-point review at year 3 and then options to extend for a further 2 x 12 months at Scottish Water's sole discretion thereafter. The total estimated value for the framework is c£8M. Further information on the scope and description can be found within the PQQ document 'PQQ Scope & Weightings Guidance Document'

II.1.5) Estimated total value

Value excluding VAT: £8,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45315300 - Electricity supply installations

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

Main site or place of performance

SCOTLAND

II.2.4) Description of the procurement

Scottish Water requires a framework for the design, installation and testing of electrical connections either for a first-time supply, or as an upgrade to existing sites. This will include all materials, plant, manpower and equipment, etc. necessary to completely supply the Electrical Connection. The Contractor must be suitably accredited to National Electricity Registration Scheme (NERS) up to and including 33kV. The estimated value of spend through the framework will be c£1M per year and the proposal is a 6-year framework with a break-point review at year 3 and then options to extend for a further 2 x 12 months at Scottish Water's sole discretion thereafter. The total estimated value for the framework is c£8M. Further information on the scope and description can be found within the PQQ document 'PQQ Scope & Weightings Guidance Document'

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £8,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

96

This contract is subject to renewal

Yes

Description of renewals

The intention is a 6-year framework (2021 - 2027) with a break-point review at Year 3 and then options to extend for a further 2 x 12 months at Scottish Water's sole discretion thereafter (2027 - 2029)

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 1

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

This opportunity requires the submission of a main PQQ and a separate H&S PQQ. Bidders must complete only one of the H&S PQQ's following the guidance in the 'PQQ Scope & Weightings Document'. The following access codes should be used on Delta to access the PQQ:

-Main PQQ – 3W27N76M6B

-H&S Construction with Exemptions - AQQ2BC9949

-H&S Construction without Exemptions - SBV5586EY9

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

The Contractor must be suitably accredited to National Electricity Registration Scheme (NERS) up to and including 33kV.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Applicants will be expected to be of sufficient financial and economic standing to support the anticipated contract value. All applicants must complete the financial questions within the pre-qualification questionnaire and tender documents. Financial standing relevant to the anticipated contract value will be determined by Scottish Water based on the response to the pre-qualification questionnaire and any further financial checks deemed necessary

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.6) Deposits and guarantees required

Scottish Water reserves the right to require deposits, guarantees, bonds or other forms of appropriate security

III.1.7) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

All prices quoted shall be in Sterling (UK) and all payments shall be made in Sterling (UK). Payment shall be made on the basis of completed services in accordance with the agreed contract rates, schedules and conditions of contract

III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

In the event of a group of companies submitting an accepted offer it will be necessary for each member of the group to sign an undertaking that each company in the group will be jointly and severally liable for the satisfactory performance of the contract

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

23 July 2021

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

Scottish Water will not accept the SPD. We will only accept a completed Scottish Water PQQ document. This Notice does not preclude Scottish Water from issuing other notices for specific requirements. Responses to the FTS Notice will be evaluated and only successful applicants following PQQ evaluation will be invited to submit a tender. Scottish Water reserves the right to divide the scope of the contract into lots at tender and contract award stages as it deems appropriate. Applicants who fail to supply all of the information requested in response to this Notice or any resulting tender exercise may risk elimination
