# I.6) Main activity

Water

# **Section II: Object**

### II.1) Scope of the procurement

#### II.1.1) Title

SW21/CI/1347 - Electrical Connections

Reference number

SW21/CI/1347

#### II.1.2) Main CPV code

• 45315300 - Electricity supply installations

#### II.1.3) Type of contract

Works

#### II.1.4) Short description

Scottish Water requires a framework for the design, installation and testing of electrical connections either for a first-time supply, or as an upgrade to existing sites. This will include all materials, plant, manpower and equipment, etc. necessary to completely supply the Electrical Connection. The Contractor must be suitably accredited to National Electricity Registration Scheme (NERS) up to and including 33kV. The estimated value of spend through the framework will be c£1M per year and the proposal is a 6-year framework with a break-point review at year 3 and then options to extend for a further 2 x 12 months at Scottish Water's sole discretion thereafter. The total estimated value for the framework is c£8M. Further information on the scope and description can be found within the PQQ document 'PQQ Scope & Weightings Guidance Document'

#### II.1.5) Estimated total value

Value excluding VAT: £8,000,000

#### II.1.6) Information about lots

This contract is divided into lots: No

#### II.2) Description

#### II.2.2) Additional CPV code(s)

45315300 - Electricity supply installations

#### II.2.3) Place of performance

**NUTS** codes

· UKM - Scotland

Main site or place of performance

**SCOTLAND** 

#### II.2.4) Description of the procurement

Scottish Water requires a framework for the design, installation and testing of electrical connections either for a first-time supply, or as an upgrade to existing sites. This will include all materials, plant, manpower and equipment, etc. necessary to completely supply the Electrical Connection. The Contractor must be suitably accredited to National Electricity Registration Scheme (NERS) up to and including 33kV. The estimated value of spend through the framework will be c£1M per year and the proposal is a 6-year framework with a break-point review at year 3 and then options to extend for a further 2 x 12 months at Scottish Water's sole discretion thereafter. The total estimated value for the framework is c£8M. Further information on the scope and description can be found within the PQQ document 'PQQ Scope & Weightings Guidance Document'

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.6) Estimated value

Value excluding VAT: £8,000,000

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

**Duration** in months

96

This contract is subject to renewal

Yes

Description of renewals

The intention is a 6-year framework (2021 - 2027) with a break-point review at Year 3 and then options to extend for a further 2 x 12 months at Scottish Water's sole discretion thereafter (2027 - 2029)

#### II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 1

#### II.2.10) Information about variants

Variants will be accepted: No

#### II.2.11) Information about options

Options: No

### II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

#### II.2.14) Additional information

This opportunity requires the submission of a main PQQ and a separate H&S PQQ. Bidders must complete only one of the H&S PQQ's following the guidance in the 'PQQ Scope & Weightings Document'. The following access codes should be used on Delta to access the PQQ:

- -Main PQQ 3W27N76M6B
- -H&S Construction with Exemptions AQQ2BC9949
- -H&S Construction without Exemptions SBV5586EY9

# Section III. Legal, economic, financial and technical information

# III.1) Conditions for participation

# III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

The Contractor must be suitably accredited to National Electricity Registration Scheme

(NERS) up to and including 33kV.

#### III.1.2) Economic and financial standing

List and brief description of selection criteria

Applicants will be expected to be of sufficient financial and economic standing to support the anticipated contract value. All applicants must complete the financial questions within the pre-qualification questionnaire and tender documents. Financial standing relevant to the anticipated contract value will be determined by Scottish Water based on the response to the pre-qualification questionnaire and any further financial checks deemed necessary

#### III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

#### III.1.6) Deposits and guarantees required

Scottish Water reserves the right to require deposits, guarantees, bonds or other forms of appropriate security

# III.1.7) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

All prices quoted shall be in Sterling (UK) and all payments shall be made in Sterling (UK). Payment shall be made on the basis of completed services in accordance with the agreed contract rates, schedules and conditions of contract

# III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

In the event of a group of companies submitting an accepted offer it will be necessary for each member of the group to sign an undertaking that each company in the group will be jointly and severally liable for the satisfactory performance of the contract

# Section IV. Procedure

## **IV.1) Description**

#### IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

#### IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

## IV.2) Administrative information

#### IV.2.2) Time limit for receipt of tenders or requests to participate

Date

23 July 2021

Local time

12:00pm

#### IV.2.4) Languages in which tenders or requests to participate may be submitted

English

# **Section VI. Complementary information**

## VI.1) Information about recurrence

This is a recurrent procurement: No

## VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

## VI.3) Additional information

Scottish Water will not accept the SPD. We will only accept a completed Scottish Water PQQ document. This Notice does not preclude Scottish Water from issuing other notices for specific requirements. Responses to the FTS Notice will be evaluated and only successful applicants following PQQ evaluation will be invited to submit a tender. Scottish Water reserves the right to divide the scope of the contract into lots at tender and contract award stages as it deems appropriate. Applicants who fail to supply all of the information requested in response to this Notice or any resulting tender exercise may risk elimination
