## Section VI. Complementary information

### VI.3) Additional information

Contract monitoring: the successful contractor's performance on the contract will be regularly monitored. Contractors not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is paying for. If a contractor fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in construction and procurement delivery (CPD) for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, this may be considered grounds for termination of the contract at your expense as provided for in the Conditions of Contract. In lieu of termination, CPD may issue a Notice of Written Warning or a Notice of Unsatisfactory Performance. A supplier in receipt of multiple Notices of Written Warning or a Notice of Unsatisfactory Performance may, in accordance with The Public Contracts Regulations 2015 (as amended), be excluded from future public procurement competitions for a period of up to three years.

... Framework Agreement: On behalf of the six Regional Colleges in Northern Ireland ("NI Colleges"):-

- Belfast Metropolitan College (BMC).
- Northern Regional College (NRC).
- North West Regional College (NWRC).
- Southern Regional College (SRC).
- South Eastern Regional College (SERC).
- South West College (SWC).

Belfast Metropolitan College (BMC) wishes to award a Framework Agreement for the provision of legal Services. The estimated value over four years is £1,800,000. The College's need for a legal service fluctuates from year to year and so it is not easy to estimate the volume of work. A breakdown by Lot or College is not available. However the main areas of the legal services requirement would be around GDPR, Data protection, HR/Employment law. The Colleges do not give any guarantee as to the volume of work that will be instructed under this framework.

### VI.4) Procedures for review

#### VI.4.1) Review body

The UK does not have any such bodies with responsibility for appeal/mediation procedures. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR 2015 (as amended).

### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

CPD will comply with the Public Contracts Regulations 2015 (as amended) and, where appropriate, will incorporate a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of framework agreement is communicated to tenderers. That notification will provide full information on the award decision. This provides time for the unsuccessful tenderers to challenge the award decision before the framework agreement is entered into.
