The nature of the contract demands a good local infrastructure to provide and maintain the level and standard of catering service and support required by the school. Labour resource/relief cover is very important. We have set a minimum level of turnover for this tender at 250,000 GBP which takes into account the contract turnover and cash flow associations. This is a discretionary pass/fail question on the basis that we will consider any additional guarantees and formal assurances such as parent company guarantors or similar which must be included to support any submission. We have set a minimum Employer's (compulsory) liability insurance of 10,000,000 GBP. Following the analysis of SQ's the selected bidders will be invited to attend a site survey and tender briefing initially planned for late June 2024. Tender responses deadline is planned as late August 2024 and it is envisaged that interviews will take place in October 2024.
