The Lot will cover a range of reusable medical hollowware products including, but not limited to, bedpans/urinals, medicine pots (including gallipots & denture pots), jugs, medicine spoons, kidney dishes, lotion bowls and wash bowls. For single use or disposable items, we are interested in hearing from suppliers as to how to reduce the environmental impact of these products, either through incorporation of more sustainable ALTERNATIVE MATERIALS (recycled content) or alternative materials with a lower impact (such as sugar cane).

Precise quantities are unknown. It is anticipated that initial expenditure will be £527,493 (ex VAT) in the first year of this Framework Agreement, however this is approximate only and the values may vary depending on the requirements of those bodies purchasing under the Framework Agreement.

The estimated value over the total Framework Agreement term is expected to be in the region of £2,141,836 (ex VAT) however this is approximate only.

The following certification will be a requirement of the upcoming tender exercise and applicants may be required to include evidence of this with their tender submission.

ISO 9001:2015 or equivalent externally accredited and up-to-date quality standard certificate(s) to cover all segments of the applicant's (and the product's) supply chain, covering manufacturing, storage and distribution.

Applicants should note that if an Applicant intends to commit to obtain ISO9001 at tender submission then further information will be requested to evidence their current position in obtaining ISO9001. ISO9001 must be in place prior to the commencement of the framework agreement in order for NHS Supply Chain to trade with the successful Applicant.

List and brief description of conditions

List and brief description of conditions

Applicants should refer to II.2 of this Contract Notice for further details in respect of appointment to the individual Lots across the Framework Agreement.

Applicants may bid for one, more than one or all of the Lots and Applicants should refer to the Invitation to Tender for more information in respect of this.

The term of contracts formed under the Framework Agreement may continue beyond the end of the term of the Framework Agreement itself.

NHS Supply Chain expects to provide successful Suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing, value added offerings and commitment initiatives. NHS Supply Chain will share savings information in order to assist its customers with making informed procurement decisions.

The Framework Agreement will be between NHS Supply Chain and the Supplier. Under the Framework Agreement there will be two different methods of supply - one for Non-Direct Contract Products and one for Direct Contract Products.

NHS Supply Chain will be entitled to purchase the supplies identified as Non-Direct Contract Products which it will then make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector.

Electronic ordering will be used and electronic invoicing will be accepted and electronic payment will be used. For the avoidance of doubt, and notwithstanding the estimate

indicated at II.2.1, NHS Supply Chain does not guarantee any level of purchase through the framework and advises Applicants that the framework shall be established on a nonexclusive basis. Tenders and all supporting documentation for the contract must be priced in sterling and written in English. Any agreement entered into will be considered a contract

made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts. NHS Supply Chain is not liable for any costs (including any third party costs fees or expenses incurred by those expressing an interest, participating or tendering for this contract opportunity). NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the procurement process at any time, or to procure the subject matter of the contract by

alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted. All communications must be made through NHS Supply Chain's eTendering portal at <https://nhssupplychain.app.jaggaer.com//> using the Message Centre facility linked to this particular contract notice.
