## **Section VI. Complementary information**

### **VI.3) Additional information**

As of the 1st January 2024 the selection process to identify and award contracts to Providers of healthcare services has been removed from the Public Contract Regulations 2015 and are now part of the new Provider Selection Regime (PSR). This report is to seek approval to award a contract under the PSR procedures. The PSR process provides greater flexibility than the traditional procurement procedures through a number of routes to award contracts including Direct Awards. Whilst the PSR does offer greater flexibility ESNEFT's default starting position for the selection of a Provider and award of contracts under PSR is competition and Value for Money.

This notice is a Confirmation of Intention to Award a Contract under a PSR competitive process East Suffolk and North Essex NHS Foundation Trust have identified a requirement to award a contracting for insourcing NDD initial and outcome appointments and ADOS Assessment PSR services following a previous 8 day standstill notice.

to - Pertemps Medical Ltd, Meriden hall, main Road, meriden, West idlands, CV7 7PT, United Kingdom.

In line with the Provider Selection Regime 2023, the Trust has identified that the contract award must follow a competitive process conducted under a further competition under Framework RM6276. To which a competition was held.

Under Framework Guidance, ESNEFT has searched suppliers under the following RM6276 parameters:

Supply Region: Midlands and East  
Speciality: Mental Health Services, Paediatric - Paediatric Service, Paediatric - Other Specialist Paediatric Services

To ensure we covered the full list of potential suppliers.
