Description

The National Oceanography Centre (NOC) intends to contract the services of Sea Works Marine to undertake quayside wall and pontoon repairs at NOC's Southampton site.

As a tenant of Associated British Ports (ABP), NOC is obliged to use the services of SeaWork Marine Ltd as they are ABP's preferred/nominated supplier for such works.

The repair work must comply with maritime, environmental, and structural safety regulations.

Seawork Marine Services has prior experience and has successfully delivered similar projects, ensuring adherence to health, safety, and environmental guidelines

Given the specialised nature of the project, time sensitivity, regulatory requirements, and supplier expertise, engaging the selected supplier provides the best value while mitigating

risks associated with delays, compliance issues, and operational disruptions.
