II.2.4) Description of the procurement

St Thomas Road Surgery primary care services is currently being delivered via a caretaker contract which will cease on 31st March 2024. The Commissioner explored an alternative contracting model to ensure that patients have good access to primary care services and for interested providers to demonstrate their commitment to quality and safe patient care and are operationally resilient to overcome the current challenges faced in general practice. The ICB therefore decided the most appropriate way to achieve this aim was to offer this practice as a branch surgery with patient list to GMS/PMS providers, thus retaining the current premises with the patient list transferring to the successful bidder.

Please note due to limitations with the system the awarded value is £417,852 per annum.
