Section VI. Complementary information

VI.3) Additional information

In April 2015 the MOD signed a thirteen year contract with Leidos Europe Ltd to provide the procurement and inventory management of commodity items (as well as the storage and distribution services) historically provided in-house by the Logistic Commodities and Services Operating Centre. Leidos, working with the MOD, will transform the way these services are delivered to ensure requirements continue to be met whilst providing best value for money for the department. The organisation delivering these services is known as Team Leidos. Team Leidos would like to make interested suppliers aware that it intends to invite tenders for its supply and delivery of Packaging and Soft Consumables.

The items will be delivered to the DFC and to Naval stores. There may be some items that are delivered direct to units.

The following item categories are covered in this requirement:-

Corrugated and box board cartons and boxes

Certified UN grade cases

Wood and plywood cases (Maybe direct to units from the supplier)

Padded envelopes

Bubble & loose fill products

Tins, buckets, drums, plastic boxes

Thermal packaging boxes and kits (Golden Hour packaging)

Papers and sheet plastic

Plastic bags lay flat tubes and wraps

Toilet roll, engineering grade wipes

Miscellaneous items.

The framework length should not exceed 4 years and is anticipated to commence March 2022.
