## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The contract has incurred system functionality changes to effectively meet schools' requirements, data migration issues due to the complexity of the variations in employee terms and conditions and project delays due to Covid-19 lockdowns. The anticipated modification increase equates to £9,200,000. The overall new modified contract value is

£29,200,000.

No aspect of the modification will alter the overall nature of the current contract as the scope of services will remain unaltered and any

expenditure will not be permitted to exceed 50% of the value of the original contract agreement, this will be carefully monitored to ensure

compliance.

Regulation 72(1)(b) permits an amendment to an existing contract: for additional works, services or supplies by the original contractor that

have become necessary and were not included in the initial procurement, where a change of contractor

(i) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing

equipment, services or installations procured under the initial procurement, or

(ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority, provided that any increase in

price does not exceed 50% of the value of the original contract;
