II.1.4) Short description

TfW are potentially looking to put in place a new framework to replace our current Consultancy Panels suite of contracts when they expire. If procured the framework will deliver specialist consultancy services that TfW can call upon to deliver transport related services to Wales. These would take a number of forms and will evolve as the organisational remit of TfW grows. As things stand the anticipated lots are:-

- Stakeholder Management
- Monitoring & Evaluation
- Transport Data Collection
- Fleet Decarbonisation Technical Support
- Bus Livery & Design
- Green Infrastructure
- Active Travel
- Train Operational & Performance Analysis
- Architectural Services

It is anticipated that any new Framework would be in place for a period of 2 years.

There will be a market engagement event to discuss this opportunity on 15th June between 1pm & 3pm. To register for the event please visit

<https://wales.business-events.org.uk/en/events/transport-for-wales-market-engagement-event-consultancy-panels-framework/>

Please note this event is strictly limited to 1 person per organisation so please check if someone else from your organisation has registered before you do so.

The purpose of the market engagement event is to inform the market of the opportunity and collect feedback on our proposed approach to inform our procurement strategy.
