I.2) Information about joint procurement

The contract is awarded by a central purchasing body

I.6) Main activity

Port-related activities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Orkney Harbours Masterplan Phase 1 - Scapa Deep Water Quay (SDWQ)

Reference number

1004185

II.1.2) Main CPV code

- 45241100 - Quay construction work

II.1.3) Type of contract

Works

II.1.4) Short description

This procurement is for the design and construction of Scapa Deep Water Quay a new multi-use facility on the coastline of Mainland Orkney between Kirkwall and Holm, offering more than 600m of quayside and water depth of between 15m and 20m below Chart Datum: not only contributing to the need for laydown but also providing deep water access and berths that can accommodate the larger vessels coming on stream in the offshore wind industry.

The facility is located on the east side of Scapa Flow, one of the largest natural deep water harbours in Northern Europe encompassing 125 square miles of sheltered water, a unique area that lends itself to wet storage, which is becoming a key requirement for floating turbine integration.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £200,000,000

II.2) Description

II.2.2) Additional CPV code(s)

- 45241100 - Quay construction work
- 45241000 - Harbour construction works
- 45244000 - Marine construction works
- 45252124 - Dredging and pumping works

II.2.3) Place of performance

NUTS codes

- UKM65 - Orkney Islands

II.2.4) Description of the procurement

This procurement is for the appointment of a Main Contractor to provide Early Contractor Involvement (ECI) pre-construction services including, developing design, progressing key statutory consents and building up detailed construction costs. ECI pre-construction services is likely to be administered through via a NEC4 Professional Services Contract.

Following completion of the ECI pre-construction stage, the contract may, at the sole discretion of the Authority, proceed to an optional Contract Stage 2, which will include the construction stage of the contract under either a design and build contract likely to be under a NEC4 Engineering and Construction Contract (main Option A) or a “Build-Operate-Transfer” (“BoT”) type structure, pursuant to which the successful tenderer (or possibly a corporate joint venture vehicle formed between the Authority and the successful tenderer) would be granted a long lease of the land and marine assets, enter into a development and operation agreement relating to the project with the Authority, as well as agreement(s) for the provision of finance and the construction contract for construction of the project.

The envisaged scope of the construction contract will be to deliver all works associated with the construction of a new deep water quay on the east side of Scapa Flow on the site of agricultural lands some 4km south of the existing Scapa Pier and approx. 1.1km west of the existing A961 public road. The works include land creation and reclamation, bulk earthworks cut/fill, new deep water quay construction, piling and reinforced concrete construction, dredging to -15mCD and -20mCD, pier fit out and all ancillary works to complete the development.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 40

Price - Weighting: 60

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Further information on the project is available from <https://orkneyharboursmasterplan.com/>

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Competitive dialogue

The contractor is an SME

No

V.2.4) Information on value of contract/lot (excluding VAT)

Total value of the contract/lot: £5,997,945.03

V.2.5) Information about subcontracting

The contract is likely to be subcontracted

Section VI. Complementary information

VI.3) Additional information

Orkney Islands Council reserves the right to cancel the procurement at any stage and not award a Contract. The expenditure, work or effort undertaken by bidders prior to the award of any Contract is accordingly a matter solely for the commercial judgement of bidders. Late tenders will not be considered by the Council and all questions are to be submitted via the Questions and Answers section of this contract advertisement on PCS. An economic operator that suffers, or risks suffering, loss or damage attributable to a breach of duty under the Public Contracts (Scotland) Regulations may bring proceedings in the Sheriff Court or Court of Session.

This contract has been awarded on the basis of the Pre- Construction Services Agreement (PSCA) stage of the project only which is reflected in the value. Subsequent award will be subject to separate award notices as applicable.
