Scope

Description

transport for Mona Hatoum dispersal, Linda Benglis inbound and dispersal and storage costs. I reached out to the following Fine Art Transport companies who are on our Transport Framework: Mtec;

Momart; Crown Fine Art Ltd, Kuehne + Nagel and Constantine.

Constantine and Kuehne + Nagel declined to submit due to limited capacity.

We received estimates from the other agents. The total cost from each agent can be found below:

Momart: £89,867

Crown £53,331 (The total contract cost has been revised to £45,000 because we have received updated costs from Crown based on changes to our lender requirements)

Mtec: £61,962

We appointed Crown Fine Art Ltd. A major factor in our decision making was overall cost and the chosen agent's proposal came in significantly lower than the other estimates we received.
