VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Decision taken to increase the value of Lot 2 of the framework agreement by £4,700,000, given the high priority operational needs of NHS to procure these particular services at short notice during the current Covid-19 pandemic and beyond.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

These services are required to support NHS Trusts in response to Covid-19 and a need to increase the value of the procurement due to a during/post-COVID requirement has increased beyond any reasonable expectation at the time the agreement was awarded. The Covid-19 pandemic meets the conditions outlined under 72(1) (c) of PCR 2015, and it is under those conditions that a modification to the duration of the framework is proposed to be made. In making such a modification it is understood that NOE CPC would be required to send a notice to OJEU for publication outlined under 72(3) of PCR 2015.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £5,000,000

Total contract value after the modifications

Value excluding VAT: £9,700,000
